

# RFC 1006 Lib .NET Advanced

RFC 1006 Client and Server development made easy

Successful with only a few lines of code

# Download

The RFC 1006 LIB .NET SDK comes with an **evaluation license which can be used unlimited for each application run for 30 minutes**. If this restriction limits your evaluation options, you can request **another evaluation license** from us **for free**.

Just ask our support (via [support@traeger.de](mailto:support@traeger.de)) or let us consult you directly and clarify open questions with our developers!

## Update Information

- starting from v1.1 a new license key is required!
